Across MASCOT's assortment you will find women's trousers, shorts and skirts in two different fits. It is your body's measurements that determine which fit you should choose. The two fits are called: DIAMOND and PEARL.

Two steps to find the trousers/skirts/shorts that are just perfect for you:

## 1) Find your fit

Your MASCOT fit will depend on a combination of your waist size (the narrowest part) and your hip measurement (the widest part).

The general rule of thumb is that if there is a difference of more than 20 centimetres between your hip and your waist measurements then you should opt for a DIAMOND fit. If the difference is less than 20 centimetres, on the other hand, then you should choose PEARL.

## 2) Find your size

You can find your size by measuring the circumference of your hip at its widest point. Keep your legs together when measuring hip width. Check the table below your fit: Determine your size based on the circumference of your hip.
